BANK NOTES

December 2011 - Vol. 2 Issue 12

Casual for the Community

New Windsor State Bank employees wore jeans and sneakers to support our veterans and those in need. NWSB began a "Casual for the Community" program where employees could dress down on designated Fridays for a \$3 donation. Employees nominated local nonprofits to receive the monies raised. A committee chose to donate this quarter's proceeds to North East Social Action Program (NESAP) and the Disabled American Veterans Old Glory Chapter #22.

Dear Customer,

Enter for a chance to win a \$50 gift card to New Windsor Inn by stopping in one of our branches to answer the NWSB Question of the Month. Last month Mr. Parsick won a \$50 gift card to Starry Night Bakery in Westminster.

NWSB Security Center

According to the FBI identity theft is the fastest growing white-collar crime in the nation. It involves criminally using a person's identifiers, which are acquired through various means, including your mailbox and computer. The thieves obtain your name, address and bank or credit card numbers or your social security number to take over your identity without your knowledge. Identity theft can cost you time and money. It can ruin your credit.

NEVER give out personal data over the phone unless you have initiated the call. A New Windsor State Bank representative would not call you and request such information. Notify us immediately if you receive unusual calls or emails claiming to be from an NWSB representative.

Be a smart consumer. There are many ways consumers and businesses can protect themselves from identity theft and fraud such as safeguarding your information and monitoring your financial accounts and billing statements. There are also resources to help you if you have been a victim of fraud. Visit the [NWSB Security Center](#) on our website for more information.
